

ALTIMEX SC MTP / MPO SINGLEMODE CASSETTES

ALTIMEX SC singlemode MTP/MPO cassettes are designed for all data centre and enterprise network applications, easy to handle and fast to install.

With tool-less installation and one click latching technology, ALTIMEX SC singlemode MTP/MPO cassettes can be inserted and removed from both the front and the rear.

They can be housed in either 1U or 2U chassis, or 0U housings.

They are designed for quick and efficient network installation using ALTIMEX MTP/MPO trunk cables and patch cords.
